Sir:

COMMUNICATION

A Continuation Prosecution Application Request and fee is being filed herewith in response to the final rejection of September 25, 2001, and the Advisory Action of February 8, 2002.

No amendment is being filed. While it is submitted that all claims are allowable in view of the Response submitted November 26, 2001, it is respectfully submitted that, if the Examiner disagrees, a first action final rejection would not be appropriate in view of the Advisory Action of February 8, 2002. The Advisory Action stated that the Applicant's response, timely filed on November 26, 2001, raised new issues which would require further consideration and further search.

Application Serial No. 09/434,645
Examiner Charles Kyle

In view of this statement, it is believed that, if there is a further rejection, such a rejection would respond to new issues raised in the Response of November 26, 2001, and that therefore a final rejection would not be procedurally appropriate.

Respectfully submitted,

Date: March 25, 2002
